GENERAL INFORMATION:

LEGAL DESCRIPTION: Irregular Tracts 46 and 65, located in the Southeast 1/4 of Section 11 T9N R7E, Lancaster County, Nebraska.

EXISTING LAND USE AND ZONING: Single-family dwelling AG Agricultural

SURROUNDING LAND USE AND ZONING:

North:	HiMark golf course	AG Agricultural
South:	Single-family dwellings	R-3 Residential
East:	Single-family dwellings	R-3 Residential
West:	Single-family dwellings	R-3 Residential

ASSOCIATED APPLICATIONS: Special Permit #05017 Ravenwood CUP

HISTORY:

Mar 1979 The zoning for these lots was changed from A-A Rural and Public Use to AG Agricultural as part of the zoning update.

COMPREHENSIVE PLAN SPECIFICATIONS: The Land Use Plan identifies this area as Urban Residential. (F 25)

The proposed annexation is within the City's Future Service Limit. (F 27)

The Comprehensive Plan's Annexation Policy is found on pages F-154 and F-155 of the 2025 Comprehensive Plan. Some relevant excerpts are as follows:

The provision of municipal services shall coincide with the jurisdictional boundaries of the City – in short, it is not the intent of the City of Lincoln to extend utility services (most notably, but not necessarily limited to, water and sanitary water services) beyond the corporate limits of the City. (F 154)

The extension of water and sanitary sewer services shall be predicated upon annexation of the area by the City. City annexation shall occur before any property is provided with water, sanitary sewer, or other potential City services. (F 154)

Land which is remote or otherwise removed from the limits of the City of Lincoln will not be annexed; land which is contiguous to the City and generally urban in character may be annexed; and land which is engulfed by the City should be annexed. (F 154)

Annexation generally implies the opportunity to access all City services. Voluntary annexation agreements may limit or otherwise outline the phasing, timing or installation of utility services (e.g., water, sanitary sewer), and may include specific or general plans for the private financing of improvements to the infrastructure supporting or contributing to the land uses in the annexed area. (F 154)

SPECIFIC INFORMATION:

UTILITIES & SERVICES: This property is identified in the Top Priority Area of the Comprehensive Plan.

- A. **Sanitary Sewer:** This property currently utilizes a septic system. An 8" public sanitary sewer line exists in Old Cheney Road adjacent to this property..
- B. **Water:** This property is located within Lancaster Rural Water District #1. A 16" public water main exists in Old Cheney Road adjacent to this property. The developer will be required to reach an agreement with the rural water district to assume any financial obligations of terminating service before the City annexes this area.

- C. **Roads:** This property is served by Old Cheney Road, which is currently a 2-lane county cross-section with asphalt paving. This portion of Old Cheney Road is identified in the Comprehensive Plan for expansion to 4 lanes plus center turn lane. (F 105) The Ravenwood CUP identifies new public streets and private roads to serve future development.
- D. **Parks, Trails, and Public Service:** There are no trails through this site, but a trail is identified through the western portion of the HiMark Estates and Vintage Heights developments running generally north and south along 84th Street. The closest City parks are Edenton South, Colonial Hills, and Holmes Lake, and Gere Library is located at 56th Street and Normal Boulevard. StarTran provides weekday service to 84th and Van Dorn Streets, and Saturday service to 84th and "A" Streets. The closest hospitals are Bryan LGH East at 48th and Sumner Streets, and Saint Elizabeth Regional Medical Center, located just south of 70th and "O" Streets.
- E. **Fire and Police Protection:** This property is currently served by the Southwest Rural Fire District and Lancaster County Sheriff. The developer will be required to reach an agreement with the rural fire district to assume any financial obligations of terminating service before the City annexes this area. Upon annexation, the Lincoln Fire and Police Departments will be responsible for providing protection to this property. For fire protection, it is anticipated that first responders would be from Station #12 (2201 S. 84th Street).
- F. **School:** This property is in the Waverly Public School district. Upon annexation, this property would become part of the Lincoln Public School district.

ANALYSIS:

1. This is a request to annex approximately 26 acres to be developed with 44 residential lots in order that they can be provided city services, and to change the zoning on the property from AG Agricultural to R-3 Residential.
2. The annexation policy of the Comprehensive Plan states:
 - **To not extend water and sanitary sewer services beyond the city limits. Annexation shall occur before any property is provided water, sanitary sewer, and other city services.**

The Public Works and Utilities Department has not commented on the availability of City services.

- **Land which is contiguous and generally urban in character may be annexed.**

The area is contiguous and urban in character.

- Annexation generally implies the opportunity to access all City services.

The area is within the future service limit.

- Plans for the provision of services within the areas considered for annexation should be carefully coordinated with the Capital Improvements Program of the city."

The Public Works and Utilities Department has not commented on the availability of City services.

3. As a condition of the annexation agreement, the property owner will be required to compensate the public service districts from which they will be removed. These include, but may not be limited to, the Southeast Rural Fire District and Lancaster Rural Water District #1.
4. This property is surrounded on three sides by R-3 zoning, and future development plans propose residential lots with the same character as the adjacent HiMark Estates and Irongate Estates developments.

CONDITIONS:

Prior to scheduling this application on the City Council's agenda, applicant must:

1. Submit a signed annexation agreement.
2. Provide documentation demonstrating an agreement with the rural water and fire districts for compensation due to service termination.
